

Physician

The Achievable Foundation - Health Center (Achievable) is looking for a warm and enthusiastic physician to join our team. We are a dynamic and growing federally qualified health center committed to making healthy, productive, and independent lives ACHIEVABLE for people with developmental disabilities.

Job Summary: As a member of an interdisciplinary health care team, the Physician is responsible for providing complete clinical care for all patients under the direction of the Medical Director and per written protocols.

Duties and Responsibilities:

- Obtains medical, social, and developmental histories.
- Performs physical exams.
- Provides health education and counseling.
- Manages all acute and chronic illnesses.
- Consults with and/or refers to specialist as appropriate.
- Orders lab tests, screenings, and diagnostic procedures.
- Provides services in accordance to Achievable's policies or procedures, contracted agreements, or other medical program guidelines.
- Exercises judgment in establishing priorities of medical care in triage situations.
- Participates in Achievable's Quality Assurance/Improvement Program, provider activities, and on call schedule.
- Provides any necessary consultations to other physicians, midlevels, or medical assistants.
- Documents all information timely using an Electronic Medical Record system.
- Other duties as assigned.

Skills, Knowledge, and Abilities:

- Graduation from an accredited college or university.
- Possess an active MD or DO license from the State of California with no pending or previous disciplinary action from any licensing entity.
- Must be Board Eligible or Board Certified.
- Must possess current DEA license and CPR certification (BCLS/ACLS).
- Must be able to interact with people of various socioeconomic statuses and have the ability to address sensitive issues with tact and diplomacy.
- Must be able to work collaboratively with staff, volunteers, and board members.
- Must demonstrate strong communication skills in English and ability to speak Spanish is preferred.
- Ability to maintain patient confidentiality and adhere to HIPAA regulations.
